Dear Ms. Clarke:

As General Manager of the Mologne House at Walter Reed Army Medical Center, I would like to thank you and the staff of Decisive Analytics for your generous donation of toys and gift cards. The toys and gift cards will be passed out to our Wounded Warriors and their families at our Christmas day Brunch. This brunch is held for the Wounded Warriors and their families that were not able to go home for the holidays. This event is the highlight of our holiday activities. Thanks to your generous support, I feel that the brunch will be a resounding success.

Our goal is to make the Wounded Warriors and their families comfortable and secure in a nurturing environment that will assist them in their transition back to civilian life or continued service to our country.

Again, I would like to express my appreciation to you and the staff of Decisive Analytics General for your kindness and caring.

Sincerely,

Peter A. Anderson
General Manager
